The logo features the text "VIVA SOUNDS" in a bold, black, sans-serif font. The word "VIVA" is positioned to the left of "SOUNDS", and the letter "V" is partially overlaid by a vibrant, multi-layered circular graphic. This graphic consists of concentric rings of orange and red, with a bright yellow center. Two black silhouettes of cranes are positioned on either side of the central circle, their booms extending upwards and outwards, framing the central element. The entire composition is set against a background of three large, light gray concentric circles.
